## INTRODUCTION OF COMPANY

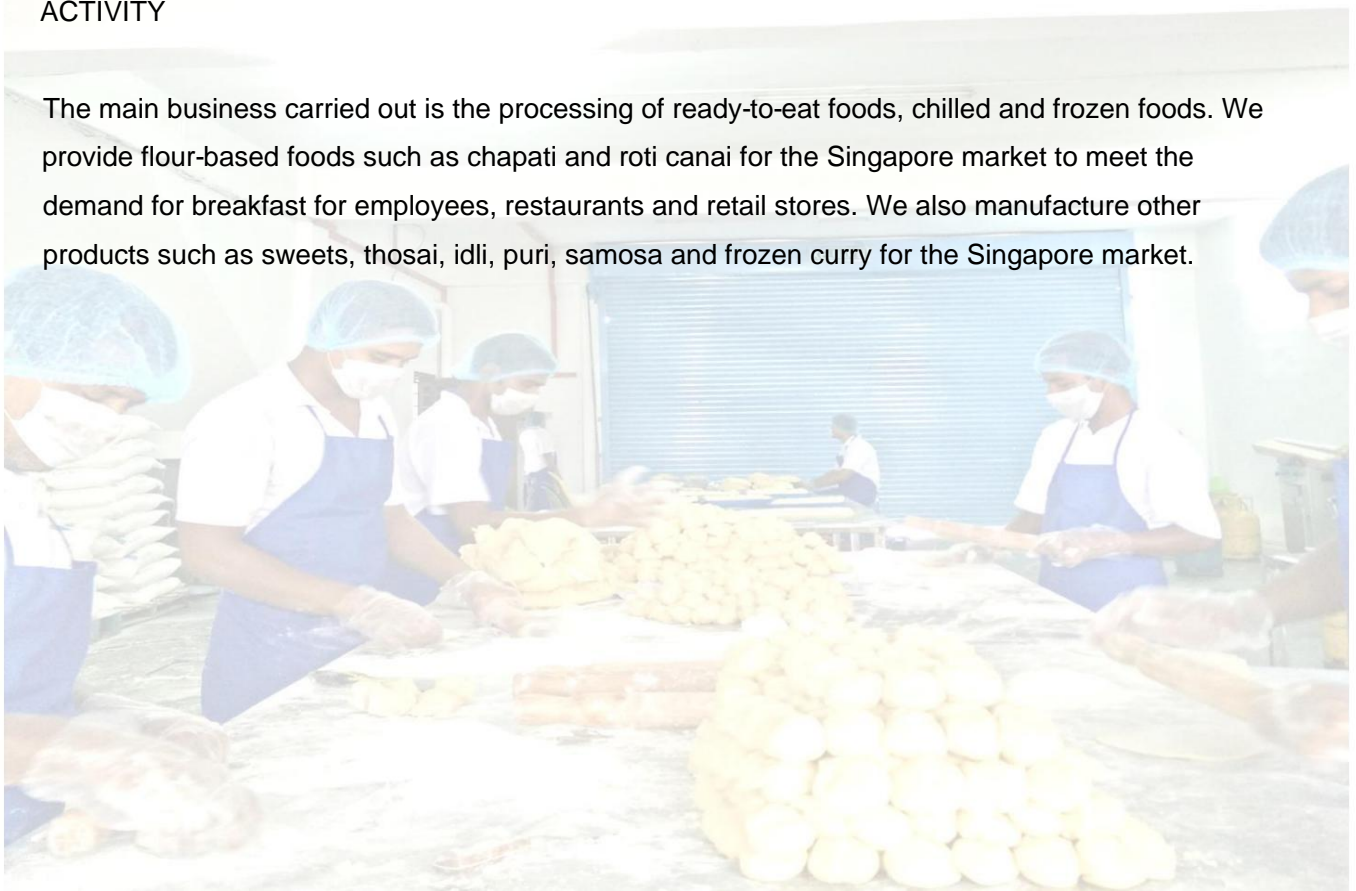

With

## ESTABLISHMENT

The company RNZ GOLDEN VENTURE SDN BHD was registered on 27 NOV 2017 based at No. 47, Jalan Seirra Perdana 4, Taman Seirra Perdana, 81750 Masai, is a food processing company with 100% production for export purposes. This company was originally known as RNZ FOOD INDUSTRIES which started operating around JUNE 2014 with only 30 employees and now almost 300 employees who carry out food processing at the premises at address No. 22, Jalan Bukit 8, MIEL Industrial Estate, Bandar Seri Alam, 81750 Masai.

## ACTIVITY

The main business carried out is the processing of ready-to-eat foods, chilled and frozen foods. We provide flour-based foods such as chapati and roti canai for the Singapore market to meet the demand for breakfast for employees, restaurants and retail stores. We also manufacture other products such as sweets, thosai, idli, puri, samosa and frozen curry for the Singapore market.

## FUTURE PLAN

Our mission is to develop a catering-based business where not only breakfast, but also lunch and dinner are provided. In addition, existing products that are still sold in the dormitory canteens such as frozen products will be marketed to supermarkets in Malaysia, Singapore and penetrate the international market. We plan to increase the purchase of machines and hire more workers so that production can be carried out to the maximum.
